4.5. Cancellation by Members if we make a material change to the terms of your membership

- (f) U@MQ will take reasonable steps to contact Members if a direct debit payment is missed. U@MQ will implement re-debit measures as necessary to recover any outstanding debts. U@MQ will continue to debit from the Member's nominated account even in circumstances where the Membership is suspended or cancelled, until all debts have been paid, unless otherwise agreed in writing with U@MQ.
- (g) U@MQ may, at its discretion, but acting reasonably cancel a membership if fees are in arrears. The amount owing may be passed on to a debt collection agency for recovery. Any costs associated with this are at the Member's expense.

10. VARIATION/UNAVAILABILITY OF FACILITIES OR SERVICES

10.1. Closures due to Government directive

If we are required by state or federal government to temporarily close the Facilities, we will suspend your membership, including any fees payable in connection with the suspended membership for that closure period.

Any membership suspension which occurs as a result of a closure period will not cause a reduction in your entitlement to a free membership suspension as per clause 4.2.

10.2. Temporary changes to Facilities

We may need to adjust the availability of certain facilities at the Centre on a temporary basis, including for the purposes of cleaning, improvement work, repairs, upgrades, maintenance and holidays. If the Centre is not available for a period of more than seven consecutive days (excluding public holidays), you may request that your membership be suspended until the Facilities are accessible. This will not cause a reduction in your entitlement to a free membership suspension as per clause 4.2.
