UNISPORT AUSTRALIA (UNISPORT) GUIDELINE
Disciplinary and disputes
2018

Introduction
All UniSport events must ensure an appropriate committee structure is in place to deal with any matters considered disputes, incidents and/or breaches of the UniSport code of behavior that occur during an event.

The committees will enable any complaint or incident to be dealt with swiftly and fairly in accordance with the UniSport constitution and by-laws. UniSport committees include:

Sports Dispute Committee
The Sports Disputes Committee (SDC) deals with any on field incidents and all matters relating to the conduct of sports competitions during UniSport events.

Sports Dispute Appeals Committee
The UniSport Sports Disputes Appeals Committee (SDAC) can deal with appeals from the sport disputes committee only. An appeal of the decision of the SDC is allowed to the SDAC only if it meets the procedural irregularity or new evidence criteria. The convener of committees in consultation with the chairperson of the SDAC will determine if the matter falls within the appeals criteria.

Judiciary Committee
The UniSport Judiciary Committee (JC) can deal with all alleged breaches of the UniSport code of behaviour.

Any reference to payment of fees or penalties throughout this document are GST inclusive.

Event committee structures
At the beginning of each UniSport event, UniSport will nominate a convener of committees. This role will be filled by UniSport senior management.

1. Sports Dispute Committee (SDC)
   1.1. The SDC will consist of no less than three persons and no more than six persons. These persons should include from the following list:
- UniSport appointed chair
- Sport technical expert
- Member of local sporting organisation
- Two independent team managers
- Convener of committees

1.2. The SDC must include the sport technical expert or member of local sporting organisation and at least one independent university team manager.

1.3. The convener of committees will be responsible for all administrative functions relating to the committee organisation. Where an SDC member has a clear conflict of interest, as determined by the SDC, that member must stand down.

1.4. The findings of the SDC shall be recorded in writing. It is the responsibility of the convener of committees to ensure that this is done, and the chairperson presiding must sign off on any decisions of the SDC.

1.5. Voting rights: each member of the SDC has one vote. In the event of a tied vote, the chairperson will have a second and casting vote.

1.6. Scope of the SDC: the SDC can adjudicate on disputes arising from any matter affecting the conduct of sporting competitions at the event. The SDC is not a forum in which matters dealt with by an on-field referee/umpire will be re-examined. Matters that may fall into this category will be judged by the convener of committees in consultation with the chairperson of the SDC prior to consideration by the SDC.

1.7. Powers of the SDC: the SDC has the authority to request any person to make comment on an incident or to report on any such matter that may come before the SDC. This list includes (but is not limited to):

- The referee and other game officials
- Participants in the game/competition
- Team officials (coach, trainer, manager and university team managers)
- UniSport officials (UniSport Board of Directors, UniSport staff)
- Event officials (UniSport staff, competition manager (CM), sports convener, key volunteers)
- Spectators

1.8. The SDC has the power to impose one or more of the following actions:

- Suspend and/or reprimand players/team officials from competition for one or more games (this suspension could be held over to future UniSport events)
- Uphold and/or amend a decision of the CM
- Make changes to the sports competition/structure or format (in consultation with the event organisers and UniSport project manager)
- Withdraw any or all awards, placings and records obtained by that person or that person’s team, during the event
- Refer the matter to the judiciary committee, UniSport Board, or state or national sporting organisation responsible for the sport in question
1.9. Rights of the parties involved in the dispute: A participant, team (no more than two representatives) or party involved in the dispute has the right to appear before the SDC to state their case. Parties must indicate their intention to appear before the SDC on the dispute/incident form.

1.10. The convener of committees has the responsibility of informing the parties (as identified on the dispute/incident form) of the time and place of the SDC meeting. Failure to attend at the notified time and place, without prior notification acceptable to the SDC in its absolute discretion, will mean an automatic forfeit of this right of appearance and a decision will be made without the applicant’s appearance before the SDC taking place.

1.11. Unless a player is sent off and this incurs an automatic suspension (under their sporting code rules), players and teams can continue to compete until their case is heard by the SDC. Every effort must be made to hear and resolve a dispute before any game involving the said parties is scheduled to take place.

1.12. The decision of the SDC: the rules of competition for each sport will govern acceptable behaviour on the playing field. Any breaches of these rules will be placed before the SDC unless the breaches also constitute a breach of the UniSport code of behaviour. Decisions of the SDC will be by majority vote and the SDC may adjourn or defer a meeting in its absolute discretion.

2.1. The SDAC will consist of no less than three persons and no more than six persons. These persons should include from the following list:

2.4. Scope of the SDAC: the SDAC can adjudicate on appeals from the sports disputes committee ONLY.

2.5. Powers of the SDAC: the SDAC has the authority to call any person to make comment on an incident or to report on any such matter that may come before the committee to assist in making their decision.

2.6. The SDAC may refer the appeal back to the original committee to hear any new evidence or to correct any procedural irregularities.

2.7. Rights of the parties in the appeal: a participant, team (no more than two representatives) or party involved in the appeal has the right to appear
before the SDAC to state their case. The intention to appear must be noted on the appeals form.

2.8. The convener of committees in consultation with the chairperson of the SDAC shall decide whether a procedural irregularity has occurred or new evidence has been brought forward.

2.9. The convener of committees has the responsibility of informing the parties of the time and place of the SDAC meeting, and as to when the party will appear. Failure to attend at the agreed time and place, without prior notification, will mean an automatic forfeit of this right of appearance and a decision will be made without the appearance of the applicant before the SDAC taking place.

2.10. The decision of the SDAC: decisions of the SDAC will be by majority vote. The SDAC may:
- Uphold or dismiss the decision of the SDC
- Refer the matter back to the original committee

3.5. Powers of the UniSport JC: the UniSport JC has the authority to request any person to make comment on an incident or to report on any such matter that may come before the committee. The UniSport JC is empowered by the UniSport constitution and code of behaviour.
Sanctions that can be imposed by the disciplinary committee are described in the code of behavior.
